

7-Position Deluxe Listening Center

Model 5272PLC

1. Deluxe 5272 Cassette Player/Recorder
 - Seven built-in headphone jacks for group learning centers
 - Cue and Review feature
 - AC/DC cassette recorder/player
 - Built-in electret microphone won't get lost or misplaced
 - Pause and tone controls
 - 10 Watt amplifier powerful enough for up to 100 people
 - Input for optional remote start/stop dynamic mic (4805AV)
 - Public address capability
2. Rugged Polypropylene Carry / Storage case
 - Holds entire listening center contents
 - Impact resistant
3. Six 2924AVP Monaural headphones
 - Fully adjustable, noise-reducing earcups made with rugged ABS plastic for added durability
 - One year warranty for school use - unlike media players purchased from consumer electronics stores whose warranties would be voided if used in schools

The Deluxe Learning Center is built for reliability and performance in classroom settings. The seven built-in headphone jacks of the 5272AV are perfect for language labs, ELL / ELD applications, literacy groups and books on tape. It can also be used for presentations, where its Directional Sound™ feature distributes sound out to the audience, not up at the ceiling.

"Project Intercept"

Please contact us immediately if you experience any difficulties with your 5272PLC. Our "Project Intercept" customer service program will quickly repair or replace items under warranty. Simply contact us via phone or email rilane@califone.com.
